We understand that Baptism is the sacrament which gives New Life in Christ to our child, and makes him/her a member of God's family, the Church. We are aware of the obligations attached to having our child baptised. We are accepting the responsibility of training him/her in the practice of the faith. We accept the duty to bring him/her up to keep God's commandments as Christ taught us, by loving God and our neighbour through our word and example. We profess our faith in God the Father, in Jesus Christ his Son, and in the Holy Spirit the sanctifier. We therefore apply to have our child baptised.

I find myself unable to profess my faith as explained above. This decision is made in conscience. However, I wish my child to be baptised in the Church, and will assist my spouse as best I can in bringing our child up as a child of God.
